

Focusing On America's Expedited LTL Needs

Vision offers you the fastest over the road product at competitive prices. Here at Vision our whole focus is on meeting and exceeding your expectations. Your freight moves 24 hours a day including weekends via our two-man sleeper teams. We are a 100% expedited carrier. While others offer several levels of service, we offer only one level of service...fast!

Vision provides you the tools to succeed, from a fully staffed customer service department, to internet access to your account. Be confident with Vision Express, we offer flexible pickup and delivery service with non-union drivers.

Call us today and take a few days off...your delivery schedule!
